THE OBJECTIVES OF FRIENDS OF THE FOREST

- ❑ The attainment of protection for the Forest of Dean District under planning law that adequately reflects and safeguards its national importance in terms of its unique landscape quality and character, biodiversity, and social, cultural and industrial history.
- ❑ As a starting point, the attainment of Area of Outstanding Natural Beauty status within the District of the Forest of Dean, with the Hundred of St Briavels as the starting point for the boundary assessment.

Please would you return your completed membership application form along with £1 (one pound) to:

**The Secretary
Friends of the Forest
c/o Hartlands
Hartland Hill
Nr Minsterworth.
Gloucestershire
GL2 8JY**
